Restricted Budget Faced By Fire Control Board In Face Of Raging Fires

Parsimonious Legislature And
Budget Commission Re-
strict Fire Fighting

With an appropriation whacked from \$75,000 to \$67,500 and a withholding of \$9,000 of this by the Budget Com-
mission, the Everglades Fire
Control Board is facing the end
of the present fiscal year with
a deficit in general fund of \$10,000.
Spurred by lay-off of wardens
and efforts to cut expenditures by
not replacing worn-out fire
used-up maintenance items.

Nature has further em-
phasized this condition by with-
holding rain normal at this time
of the year to allow the dry season
last year to cover much lands and
dry growth throughout South Florida, to become a
menace to life and property.

"All fires in our District are
under control as far as spreading
is concerned," said Capt. Guy
W. Abernathy, fire chief Wednes-
day at a regular quarterly meeting in Belle Glade. "We
have had to back-fire in some
places to the south because of
lack of man-power and equipment,
and could not have made
efficiencies available if we had the
men and equipment available," said the Chief.

"As far as possible we have
kept the equipment assigned to
the several areas at home and
supplemented that from areas
not threatened. The Glades
units were used to assist areas
from needed fire fighting and
sent to another area. That goes for
all other areas too," said the Chief.

The ranking of opposition
from recent appointments to the
Board was mentioned at the
Wednesday meeting, but a ma-
jority of the Board supported
the present set-up.

The first audit in eight and a
half years was presented to the
Board from Mr. Abernathy, an
Assistant Auditor of the State
Audit. Audit results duly received,
adopted and the Chief com-
mended on the report.

"All equipment was inspected
and found in order; expenditures
were close to the estima-
tions and other years," said the
report. "Reports were complete
and fully informative," the
report continued.

In the eight and a half year
period \$600,000 had been pro-
vided by the Legislature and

Charter Service Begins Airplane Travelers

Bill Golden, operator of the
Glades Aviation Company, has
inaugurated a charter plane
service with headquarters in
the Glades. Mr. Golden said
yesterday that he is equipped
with a new Slinson 4-place
plane for charters.

Mr. Golden pointed out that
his service is available on short
notice and that reasonable rates
are in effect for trips to Tampa,
Orlando, Jacksonville and Tall-
ahassee. He suggests that in
case you want to go somewhere
in a hurry that you get in
touch with him.

Rail Shipments Slashed In Half

Vegetable operations for the
season will close in approximately
three weeks, packing
house officials said. Production
will be cut back during the
slashed half this week from 403
last week to 312 loads. Trucking
also dipped from 149 last week
to 132 this week.

Season shipping total by rail
from south and north ends com-
bined is 8,114 loads per week
total, compared only from Feb-

different years and on July 4
it will be concluded.

Each trial during 1947, 1948
and 1950 included fifty grade
Brahman steers which were di-
vided into five groups receiving
different feeding diets. The

**Joan LeFils Named
Queen At Sr Prom**

Blue Moon over an enchanted
garden highlighted the annual
high school Junior-Senior prom
and banquet Friday night in
the school auditorium when
Fred Farmer and Joan LeFils
were crowned king and queen of
the senior class.

Following the banquet, couples
danced to the music of the
Rhythm Rogues in the imaginary
garden. Spanish moss deck-
walls entwined with roses,
a creek bed decorated with
wooden bridge entrance, and rock
garden ledges lent the setting a
note of reality.

The glittering full blue moon
centered the hall and a quarter
moon hung at the side on which
couples had their pictures tak-
en. The Moon was the theme,
and arrangements of Glades vegeta-
bles and flowers decorated the
ball tables.

Dr. John I. Leonard, presi-
dent of the Palm Beach Junior
College, principal speaker, key-
ed in his speech on "Blue
Moon" theme and emphasized
the junior and senior class mot-
toes, "Rock To Success" and
"Fitch Your Wagon to a Star and Climb." Dr. Leonard
also gave the invocation.

Charles Womack, president
of the senior class, the sen-
ior and Derine Mathewson,
senior class president, respond-
ed. The program included a
solo, "Blue Moon," by Clark
Womack accompanied by Mar-
yanne Womack; a toast to
the seniors; a dance by the class
motives, "Night and Day" and
"All the Things You Are" by
Audrey Jordan of the junior
college and xylophone solo by
Betty Jane Donnelly of West
Palm Beach.

Semper paribus promulgated
through the moon at the conclu-
sion of the program while
young attendants, Korky Mc-
Kee and Patsy Dooley, stood
by.

Principal Frank O. Hobson,
introduced special speaker, Mr.
Arthur M. Larrittino, State Employee
and Office of Labor Relations of
the U. S. Civil Service Commission.

Charles Womack, Mrs. W.
C. Bamford, Mrs. Anna Keene
and Mrs. John I. Leonard.

Arrangements for the prom
were directed by junior class
sponsors, Miss Faye Ledbetter
and Mrs. John H. Dooley, and
Mrs. Ray Whittlock painted pic-
tures pointing up class mottoes.

Following the dance, couples
dispersed for the coast where
they had beach parties.

**Ex Station Feeding Trials Reveal
Corn, Most Economical Supplement**

Steers, 2 one-half head per acre
on St. Augustine pasture, made
an average weight gain of 1.21
pounds per day on grass alone.

In addition to feeding supple-
ments and grass, the cattle had
access to a mineral mixture
compound.

Experimental results point to
the map corn feeding program
of lot three as the most economical
supplement. Steers in the
group were fed five pounds
corn daily and showed an ave-
rage gain of 1.78 pounds while
consuming 83 pounds of grass
per day.

In group one steers consumed
an average of seven pounds of
molasses with cotton seed and
44 pounds of grass. Their ave-
rage gain was 1.37 pounds daily.

YOUR ARMED FORCES TEAMED... for defense

On Saturday, May 20, every community honors the gallant
men and women of our Military Service — in observance
of America's first Armed Forces Day.

On this historic occasion, the Nation pays homage to all
our Armed Forces. Highly specialized, working together
closely, they comprise one great organization, teamed for
defense...our defense.

Here is an opportunity to express the gratitude we all feel
...and to remember how vitally important are America's
Armed Forces for the peace and freedom of the world we
know and cherish.

Armed Forces Day Marks Progress Of BG Reserve Units

First annual Armed Forces
Day Saturday calls for recogni-
tion of four Belle Glade arm-
ed force units and their pro-
grams and activities. The units
are the National Guard and
three summer training groups —
Army Reserve, Photo Inter-
preter Team, and Navy Reser-
ve. Many of these reserve
men will don uniforms this
summer for active training.

The BG guard, under
command of the state governor,
cooperates closely with a fed-
eral training program. The
guard here, under temporary
command of Lt. Eugene Pick-
ern, has 57 members with an
approximate membership of 100.

John Hoeller, commanding
officer, will return from
Mt. Jackson, May 21 to resume
charge of the outfit. Second Lt.
Karl Minblin, Pahokee, is ex-
ecutive officer.

Organized in 1948, 10th ar-
chitectural unit was spearheaded
by Douglas Wootten, Emmett
Roberts, Ed Lively and N. W.
Willis.

It was activated with 25
members under first commanding
officer, Arthur J. Lively, with
Leland Dickinson as first
sergeant.

Annual summer camp will
be held in Mt. Jackson, South
Carolina, August 13-27. Recruit-
als are urged to sign up previous
to the camp. Those in the
ages of 17-35 are eligible.

John Hoeller, commanding
officer, American Plan summer
camp, which he filled by stu-
dents or graduates are asked to
contact Mr. Larrittino.

**South Bay Restaurant
Closes June 15.**

McBeth Polka, operator of
the South Bay Restaurant, left
Monday morning for Hendersonville,
N. C., where he and Mrs. Polka
will operate another business.

Special entertainment feature
will be a program by Walter J.
Hayes, magician, from West
Palm Beach.

There are 60 pens for holding cattle before and after sales
at the Belle Glade Cattle Auction Market, in addition to unloading,
receiving, dipping and quarantine spaces. The State
Inspector gives all animals the proper care to insure tick-free
and disease-free cattle being received.

looking over some transfers, but George isn't ready yet to emit
a real satisfactory grin until all the "bugs" are eliminated.

HIGH SCHOOL HAS HEAVY PREVACATION SCHEDULE

Many special events crowd
the Belle Glade High School
calendar until the end of the
school term, according to Frank
O. Hobson, principal.

Schedule of events follows:

May 19 — 11 a.m. Fashion Show
by Mrs. Helen Litchfield's
home economics class at 8:00
p.m. in the school auditorium.

Junior College, is the scheduled
speaker.

WPB Odd Fellows Confer Degree On Belle Glade Man

Members of West Palm Beach
Lodge No. 88, were guests of
the local Odd Fellows at their
regular meeting here last
Thursday night.

It was to perform as a nine-
man degree team, the confer-
ring of a degree upon the
Belle Glade candidate L. V. McMil-
lan.

Among the visitors were Dist-
rict Deputy H. E. Keeler, Staff
Commodore; Col. G. C. Stiff
Grand Master; Mrs. Noble
Grand Wm. Palm Beach.

The Belle Glade Odd Fellows
Lodge is improving its atten-
dance over that of last year,
according to Paul Davidson,
Noble Grand of the local lodge.
There was a dip during the
past year when the outfit was
barely able to hold its own. The
late Judge Giedlill, who saw the
club failing rapidly, did much
to muster lagging members and
newcomers and fire them with
new enthusiasm when he delivered
a moving off-the-shoulder message
at one of the meetings last winter.

Davidson states there were
about 20 present at last week's
meeting, one of the largest this
year.

Elks Honor Oldest
And Youngest Mothers

Local and Pahokee Elks held
a joint Mother's Day meeting
at the State Elk Convention held
Saturday night, May 13. Prizes
presented for the oldest and
youngest mothers to Mrs. Ned
Scullen and Mrs. August
Kirchman respectively.

Delegates and alternates to
the State Elk Convention held
Saturday night, May 13, were
presented prizes for the oldest
and youngest mothers to Mrs.
Ned Scullen and Mrs. August
Kirchman respectively.

The club, as of Wednesday,
owns a 523 pound steer, pur-
chased last week at the
new meat opening.

The Lions hope this is the
beginning of a beef-fatting
program, and two or three
more steers from now on for a
public swimming pool. Plans
for the pool have been under
discussion off and on for the
past two years, and the club
already has received County
School Board's stated approval
of the site selection of the local
school grounds.

The club has been purchased
by Vernie Boots for a group of
Lions who, anxious to see the
operation begin, chipped in on
the purchase with confidence
and support, and the club was
approved at the next meeting. The
club did approve when Presi-
dent-Elect Henry Earwood pre-
sented a motion asking for a
standing vote by those in favor
of using the purchase to get
things going. The club also
provided an appointment of
a planning committee, to be se-
lected from among competent
cattle and business heads by
Pres. "Spottie" Burr.

Officers Will Present Concert
At Episcopal Church May 21

Officers of St. Martha's
Guild, will be formally installed
by the Vicar, the Rev. Ronald
Lane Latimer, Canon of the
Holy Trinity (Episcopal),
Palmetto, on May 21.

The special installation cere-
mony will be held in connection
with celebration of the Holy
Eucharist at 8:45 a.m.

Guest officers will be Mrs. Sam
McKinley, Jr. President; Mrs.
Barbara, Vice President; Mrs.
O. B. Bleech, Treasurer; Mrs.
P. P. DeMoya, Secretary. They
will be presented for installa-
tion by Mrs. C. T. Jackson, re-
tiring president.

Mr. Clark Womack, tenor,
will present a concert Monday,
May 22, at 8 p.m. in the Commu-
nity Methodist Church.

The public was invited.

More Pork Goes To Market
There are times when just sending goods to market and letting them sell or not sell as one case may be isn't enough. Such a time arises when the supply of some commodity is far greater than usual.

Pork is approaching that position now. Government reports anticipate at least a 15 percent increase in hog marketing during the next 12 months as compared with a year earlier. The supply of pork during the last quarter of this year will be about 45 percent greater than in the third quarter, and 12 percent greater than during the last quarter of 1948. On top of that, it is indicated that total demand for meat this year will not be as strong as last.

To meet this situation, an organization, (Meatmen Men's Association) which represents many of the packers of the nation has completed plans for an aggressive program to promote the sale of pork products during the fall and winter months. Details of the program were developed with the specialists, and other interested people, all of whom have pledged their support. Millions of consumers will see posters and advertisements emphasizing the value of pork. The whole purpose is to move promptly onto America's dining tables the largest pork supply of recent years.

The value of this to farmers and other pork producers is obvious. And the consumer's interest is also paramount—much of the promotional material will stress ways and means of getting top return for the family's meat dollar. Everyone will benefit.

Leadership Is Needed

For years liberty has been in retreat. Fascism, Nazism, and Communism have all taken their toll of peoples' rights. Even in the United States regulation after regulation has set barriers in the way of free action.

But there are many evidences that the tide is turning. Americans have become uneasy and unwilling to give up freedoms in order to welfare bait.

What the public needs is good leadership. Every employer should explain the true facts to those he knows best—the people who work for him. If they know the facts, they will choose wisely.

It was also a swing, added to the theme.

A delicious menu of fried chicken, mashed potatoes and gravy; string beans, iced tea, and cheese pie all made was served to the senior seniors, faculty and guests. Plans were blue moons over an ocean, and the programs were in the shape of a blue moon.

Toastermaster for the evening was Mr. Leonard. Stevens, Dr. J. L. Leonard gave the invocation. Welcome to the senior class was by junior class president, Charles Newman. Dorine Mathewson, senior class president, gave the response. Clark Womack accompanied by Marlene Walker sang the theme song, "Alma Mater." The senior girls was presented by Bill Mizelle and Marlene Walker gave a toast to senior boys. Audry Johnson played a clarinet solo and Mary Jane Donnelly played a saxophone solo. Introduction of the new students was by Mr. Hobson, and Dr. J. L. Leonard presented the address.

The senior classes of Belle Glade and a Pahokee High Schools traveled to West Palm Beach Tuesday where they were guests of the Junior College.

Upon arrival at the campus, we gathered in the chapel where Dr. John Leonard president of the college, welcomed us. Two students presented very interesting speeches about the life of the school, its scholastic and social activities. Miss Brown, a nurse from the Good Samaritan Hospital told of the program existing between the school and the hospital for training girls to be practical nurses.

We then enjoyed a journey around the campus and through the various building and dormitories. After cokes and cookies on the patio, we relaxed in the swimming pool.

Banquet And Prom
The judges were guests of honor at the annual Junior-Senior banquet and prom at the high school gym Friday night, May 12.

For this big occasion the juniors selected the theme of "Belle Moon." The room was elegantly decorated with a vine covered bridge crossing the lily bedecked stream at the entrance. Moss and flowers hung from ceiling to floor and rock garden surrounded the premises. Stars glittered in the blue cheescloth sky and a huge quarter moon, which

tion work and oral delivery. Let's have a look at the winners:

1st prize (\$20.00) Beverly Greer; 2nd prize (\$15.00) Huell Bailey; 3rd prize (\$10.00) Bill Bailey; 4th prize (\$5.00) Eva Sue Taylor.

The winners will present their speeches before the Lion's Club next Wednesday, at which time the awards will be made.

Honor Roll: Wilbur C. King, chairman of the Florida Railroad and Public Utilities Commission, will enter the grand Democratic primary May 23 on the record of nearly four years of solid achievement.

King has made a strenuous second primary campaign, pointing out in speeches and talks that he proposed a reorganization of the commission three years ago that has resulted in greatly increased efficiency in regulating the railroad and bus companies, the telephone and telegraph and express companies, under its jurisdiction.

Since he became a member, the commission has employed technical experts in the field of telephone and railroad engineering, in accounting and highway transportation and law. In addition, the commission is saving an all-out fight in Washington to keep proposed freight rates in Florida on such critical items as lumber and fertilizer. Railroad spokesmen have testified under oath King says, that the railroad commission is saving Florida shippers as much as \$2,000,000 a year.

10th Grade Honor Roll: Lucretia Campbell, Patsy Chamberlain, Gloria Crosby, Betty Layfield, Willie Mae Pitts, Clara Stein, Frederick Stevens, Katharine Vanderwater, Ross Wimberly, Marilyn Brickleay, Helen Causton, Howard Hill, Jean Kent, Kaye Lutz, George Murphy, Ruth.

Bean City News

Mattie Jean Youngblood,
Reporter

The operetta "Springtime is Here" will be given by the music department at Bean City Elementary School on May 29, 1950 instead of on May 22nd, as previously announced. Barbara Calo as Mother Nature and James Vaughan as Father Winter with a supporting cast of flowers, birds and springtime spirits make up a host of Mother Nature's children make this indeed the play of the hour.

Rev. Philip Heriot of Miami will be special guest on PTA night June 5th and will show a favorite movie.

Each member of our community is asked to join the PTA in observing Spring Clean Up Week. Our goal is a clean yard around each home in Bean City. When your captain comes to remind you please remember with how many others will participate in this clean, healthy community.

Thanks to Mr. Frank Pravette for cooperation given us last year and his cooperation again this year in our effort to clean up our community. Do not forget our school—our church—our homes—in the afternoon. Rev. Kenny will deliver the sermon. Music by the school.

Mrs. Lee accompanied the Mt. Calvary Church Choir to the State Capital on May 12th. They did a fine job on the program to sing on Sunday afternoon at three o'clock.

The choir under the direction of Mrs. Lee made a fine rendition of numbers. Rev. Nelson the pastor preached the afternoon sermon and was pleased with the renditions of his choir.

Do not forget your Belle Glade Herald carriers. Belle Glade City has loyalty supported the paper. They distribute at least fifty copies a week.

the beginning of the Women's Day program, with Mrs. Annie Mae Everett presiding. Sister Dorothy Hause and Sister Mary Newell, The junior choir rendered music. Object of the program was given by Mrs. Martha Farthing. Theme by Mrs. D. Kendall, was "Not To Be Ministered Unto, But to Minister." A solo was sung by Miss Carrie Mae McLean.

Mrs. Rosa House, District President of Kissimmee Valley Women's Convention, presented the speaker, Mrs. Ella Jenkins, Bible expositor of KVWC. Her subject was "Woman's Duty."

Miss Palms were helped from the subject.

Sunday afternoon at 3:30 Mrs. L. W. Holland presided. Devotions was conducted by Sister Juanita Jones and Sister Louise Onail. Theme by Mrs. Emma Reed. Solo by Mrs. M. C. Claude Johnson, president of the WHM Society, presented the speaker, Mrs. S. A. Onail. Her subject was "Women and Their Obligations."

On Sunday night at 7:30 Mrs. Susie Onail presiding. Devotions conducted by Sister Lilia Holland and Sister Mary Francis Brown. Solo by Mrs. Gladys Wright. Gifts were presented by Mrs. Onail, the most faithful mother and the youngest mother.

A sermon was delivered by Rev. P. Beasley, subject: "What Think Ye of Christ and Whose Son He Is?" He preached out of his soul, the spirit ran high and every heart was moved. Collection was \$118.00.

On Monday night the program and members met at the Friendship Baptist Church, in Chosen, for service.

Friends and visitors are always welcome to worship at New Bethel Baptist Church.

Painters of the Home stretch of 1949-50 school year have almost completed a successful school term. Faculty and students are girded with a stronger and more firm determination to work harder next year.

Students of the Arts and Crafts in financial effort this school year, but through hard work of the teachers and loyal cooperation of our students we were able to purchase a large electric clock, a hall-runner for the intermediate building and a paper cutter.

Fifth Grade class reported \$20.00 instead of \$10.00 for the King and Queen contest which terminated April 31st.

"The Man Who Frets At Worldly Strife"

(Food for Thought)

Much wiser is the man who smiles at misfortunes, even when they are real ones.

The man who frets at worldly strife

Grown-sallow, sour and thin; Give us the man whose happy life

Is one perfect grain;

He, Mida-kiss, turns all to gold;

He smiles when others sigh,

Enjoys alike the hot and cold,

And laughs though wet or dry.

Curtains And Draperies

Curtains usually add to the individuality of a room, to know whether it is a bath, kitchen, bedroom, living room or wherever it is used. To get the required satisfaction out of curtains it is necessary to consider the place where they are to be used.

It is important to consider the material best for the place and the price of the material or ready-made curtain. Some curtain material most frequently used are:

Voile, organdy, dimity,

scrims, marquisette, lace, filet,

plastic (Irish) net, lace, organdy,

in some cases, gingham for kitchen or bath. Today's modern

trend is toward plastics, and water-proof curtains for kitchen or bath. When curtains are bought ready made consider the length and finish. Some

Cinematic Chatter

By Malcolm Millar
Hollywood pictures are constantly working on ideas for greater and more sensational pictures, to offset the television dig into movie receipts, and to make Mr. and Mrs. Ready Cash happier at the theatre—Warner Brothers have come up with a sensation—"Caged" starring Marlene Dietrich as an all-caged woman. The picture is all action and loaded with "A" and "H" bomb explosives, blowing the lid off women's prisons—Lucille Ball is to be seen soon in a nifty comedy "The Fuller Brush."—Rhonda Fleming, whose recent performances opposite Bing Crosby and other top stars have established her as one of America's film favorites, has been signed to co-star with Glenn Ford in "The Last Hurrah" and "The Sun Never Sets."—Barbara Stanwyck was to be a major attraction in "China"—If she followed this trend we would not have any Chop Suey parlors—Or, "Dear Wife," William Holden, Joan Freeman and Edward Arnold is a panic—See you at the movies—Mal.

Dainty chippiness is preferred for bedroom curtains. Lavender organdie or demity make the best showing here.

Curtains are finished with overlocked edges, hemstitching on lace. However, make sure that lace is well attached so that your curtains launders well and remains firm after laundering.

It is economical to have curtain stretchers available which helps your curtains retain their shapes, which is very necessary for a good curtain grooming.

Do not select curtains because you like them but consider the place you will use them and the color scheme to be carried out. A poorly selected curtain detracts from the beauty of a room. Hence as much care should be used in selecting curtains as one would use in selecting personal clothing since you are to live with your curtains as you do your clothes.

Curtains are finished with overlocked edges, hemstitching on lace. However, make sure that lace is well attached so that your curtains launders well and remains firm after laundering.

It is economical to have curtain stretchers available which helps your curtains retain their shapes, which is very necessary for a good curtain grooming.

Do not select curtains because you like them but consider the place you will use them and the color scheme to be carried out. A poorly selected curtain detracts from the beauty of a room. Hence as much care should be used in selecting curtains as one would use in selecting personal clothing since you are to live with your curtains as you do your clothes.

Dainty chippiness is preferred for bedroom curtains. Lavender organdie or demity make the best showing here.

Fires On Highway 27 Cause Accidents And Road Block

Grass and muck fires have been raging down in the Glades for days causing a smoke pall hangs constantly over the northern portion of the state as a smoke filled fog accompanied by the acrid fumes of burning muck during the night and early morning.

Sunday a fire adjacent to the Palm Beach-Broward County line came close to U. S. 27, then driving on the highway all day, it was stopped by a number of minor accidents resulted.

A car occupied by four Hallandale negroes collided with a car in front of them Sunday evening, resulting in the hospitalization of all three and the officers for the coming year for Clewiston, South Bay, Belle Glade, Pahokee and Canal Point.

Some 250 persons attended the installation including sizeable delegations from Clewiston American Legion posts and Auxiliaries held joint installation of officers ceremonies at Clewiston Legion Hall on Thursday May 11. Jay C. Pridham, Ninth District Commander of West Palm Beach, assisted by a large crew, and all the officers for the coming year for Clewiston, South Bay, Belle Glade, Pahokee and Canal Point.

The installation ceremonies for the auxiliaries were conducted by Mrs. V. V. Allison, past area vice-president, assisted by Mrs. P. Jones, 9th district secretary and Mrs. L. A. Tanner, sergeant at arms, West Palm Beach.

RDB Launch Member
Drive Here Tuesday

The Palm Beach County Resources Development Board launched their annual drive for membership in the South Bay-Bean City-Lake Harbor Tuesday at a luncheon meeting at the South Bay Pelka Restaurant.

Manager Ralph D. Blank gave out literature and instructions for carrying on the drive and spoke briefly on the work of the board in furthering local projects and in getting needed legislation passed. He urged each community to take advantage of the RDB in any local problem in which they could be of service.

Others attending were: B. H. Gaul, county membership chairman; Mrs. Louise Stovall, bookkeeper; and A. E. Kirchman, president.

Local directors Ted Daniels of Lake Harbor, S. J. Fisher of South Bay, and L. L. Lewis of Bean City were hosts. Also in attendance were: Mayor W. M. Jeffries, Mark Challandin, R. G. Fisher, R. C. White, Mrs. G. J. Barstow, L. P. Roberts, Frank Anderson and R. G. Dixon of Belle Glade.

Lions And Boy Scouts Plan Joint Box Supper

The South Bay Lions Club has planned a box supper to be jointly held with the South Bay Boy Scouts for 6:00 Friday, May 19, at the South Bay school auditorium. Everyone in the community is invited to attend.

Funds obtained will be used for Boys Scout activities and for landscaping grounds now under construction on six vacant lots in the rear of the school grounds. The lots have been cleared and are ready to be plowed, leveled and grassed. Officers for the ensuing year were elected at the first annual session in May. President, T. E. Weathers; first vice-president, A. L. Cumpton; second vice-president, Charles Billups; third vice-president, Sam E. Henderson; Lion tamers, Frank B. Williams, Tail twister, Mrs. S. Watson, secretary and treasurer, Carroll Warren. Directors for a two year term elected were C. B. Higginbotham and Fred M. Cato.

Norman Hayslip of Belle Glade attended and presented the South Bay Scout charter to President T. E. Weathers, who will in turn present it to the Scouts and their scoutmaster, Curtis Slade. The Lions are sponsoring Boy Scout work in South Bay.

Ray Whitlock and Mr. Mc-

Douald of Belle Glade were also guests at the last meeting.

Boatwright Cottage Destroyed By Fire Tuesday Morning

The South Bay Fire Department was called out at 6 o'clock Tuesday morning when a fire consumed the cottage occupied by Clinton Boatwright and family.

It is in the Summerlin Sub-Division adjacent to the Everglades Produce Company packing plant.

The fire was reported to have started from a flare up of the kerosene stove on which Mrs. Boatwright was preparing the breakfast.

The Belle Glade Fire Truck

also responded to the call for help, but the fire had gained much headway before either fire department could arrive on the scene to battle the flames.

The volume of fire fighters, however, did save the adjacent buildings including homes, machine sheds and packing houses.

Mrs. Boatwright stated she left the breakfast cooking on the stove and had gone out to feed the chickens. She did not notice the heat until the fire caught as the building was ablaze when she returned. She saved her washing machine and clothes on the back porch. Everything else, house and contents were a total loss.

The Cho

Why Brucellosis Tests May Be Misleading

A cow newly infected with brucellosis may get through her first blood test without being spotted, but later tests will nearly always reveal the bad news.

This is pointed out in a report just issued by research veterinarians—emphasizing the need for double-checking, by means of a second or even a third blood test, whenever the

first test gives no evidence of brucellosis.

These investigators told of extensive studies made on first-calve heifers which were infected but which did not show it on the initial blood test. The American Veterinary Medical Association, said it sometimes took as long as 25 days after heifers were exposed to brucellosis for the infection to show up in the blood. In other words, there was a period of time during which the disease could be detected by means of a blood test. And, in the meantime, some of the heifers aborted their calves due to this infection.

I was stressed that the long time period in which the disease can "incubate" in an animal's body is the strongest argument against relying on a single test to detect brucellosis.

The veterinarians held up these findings as a warning to cattle purchasers not to be misled by blood tests with an unknown history, since these tests pass the blood test with flying colors.

They added that heifers and cows which become infected at mating time or early in the gestation period usually—the longest—usually several months—to develop blood changes that can be detected by testing. In contrast, those exposed late in the gestation period

may develop clearcut cases of brucellosis in less than a month.

Major Marine Sgt. Joseph A. Nastasi, Jr., whose wife is the former Miss Phyllis Lee, daughter of Mr. and Mrs. J. D. Lee, Sr., of Belle Glade, has reported here for recruiting duty in the South Florida area.

A veteran of 13 years as a Marine, Major Nastasi is a native of New Orleans. During World War II, he served successfully in Iceland, on Guadalcanal, Bougainville and Guam, and was wounded in the assault on Iwo Jima.

Following his return to the States, Major Nastasi was assigned to the Lake City Naval Air Station where he met Miss Phyllis Lee. A tour of duty with the Fifth Marines at Tengku, China briefly interrupted their romance, and they were married 18 months later at Pensacola.

For many years I was actually afraid to eat anything because, due to excess acidity, everything I ate seemed to burn and become indigestible, causing me to feel bloated with stomach gas. My waist-line became enormous. I started taking SURE-LAX and now I can enjoy eating my meals without that horrible gas blast. Life again is good. I am grateful for the many unsolicited testimonials received. SURE-LAX is a new medicine that goes right to work, giving symptomatic relief from burning stomach and awful gas pains resulting from hyperacidity. Millions of people soon feel different. Don't go on suffering, get SURE-LAX. Sold by Glades Drug Store.

Temperature Controls For Elementary Schools

Automatic control of classroom temperature in future elementary schools built in Florida will result in smoother temperatures and better grades, judging from the results of the following recommendations made by the state's top educators.

temperature and temperament, long recognized by climatologists and physiologists, is being headed by the state's schoolmen, John E. Haines, vice-president of Minnesota-Honeywell Regulator Company, revealed in a statement made by the educators for proposed elementary schools. His analysis was part of a study of a national poll of more than 10,000 school superintendents, including 1,000 in Florida, county and school commissioners.

According to specifications of nearly 45 percent of the Florida superintendents, regulation of classroom temperature in upcoming schools will be done automatically by individual room thermostats.

Three Local Residents Receive Minor Injuries in Accident

William Edward Farren, Madge Allen and Roy Hall were injured when their car's right rear tire blew out a week ago last Wednesday as they were traveling south on U. S. Highway 27 three one-half miles south of the Palm Beach-Brevard county line.

Farren, who was driving, received a cut on his right hand and left knee. Miss Allen and Hall were also treated for minor injuries at the Belle Glade Hospital, according to Cpl. B. W. Brinson, highway patrolman, who investigated.
